Our core values, underpinned by our Christian Ethos, are Truth and Excellence, Character and Integrity, Service and Leadership, Care and Respect and these provide an enduring foundation for dynamic learning. The College Mission is to provide strength, breadth, balance and quality and, as such, we are committed to providing a rigorous academic program focused on each student reaching their potential.

Our consistently impressive academic results reflect the high-quality teaching, dedication of the students and visionary leadership for which the College has long been renowned.

We value and nurture the individual strengths and passions of the students. The personal development of our students is our priority with extensive age-appropriate care and wellbeing programs. Asian and European language studies are part of the curriculum from Prep to Year 12 with many students continuing foreign language study through either the Victorian Certificate of Education or the International Baccalaureate pathway.

The students' talents and interests are nurtured within a rich curriculum program, as well as through extensive co-curricular offerings.
